

REMARKS

In the Final Office Action mailed on December 30, 2009, claims 1-6, 8-19, 27-32 and 34-38 were pending. The sole grounds for rejection of these claims is for obviousness-type double patenting over claims 1-47 of U.S. Patent No. 6,635,062. Enclosed herewith is a terminal disclaimer that addresses the double patenting rejection along with the required fee for the same. Apparently, the terminal disclaimer was not attached to applicant's response filed on September 28, 2009.

Reconsideration of the subject application is respectfully requested including pending claims 1-6, 8-19, 27-32 and 34-38. Timely action towards a Notice of Allowance is hereby solicited. The Examiner is encouraged to contact the undersigned to resolve any outstanding matters concerning the subject application.

Respectfully submitted,
